ENTE MORALE
dal 1879 a difesa della vista

Prot. 0047/S/2011/I

Rome, 14th February 2011

We are pleased to inform you that the next 9th International Congress of the Italian Society of Ophthalmology will be held in Rome from 18th to 21st May 2011.

The event will be focussed on a wide update on Cornea and Retina, with two specific session completely dedicated to such topics.

Cataract and Refractive Surgery will be an additional topic examined by the Congress.

Furthermore, the event will include updating Courses, as well as Symposia held by Monothematic Ophthalmological Societies, and Scientific Communication Sessions. Round Tables and symposia will also be held during the International Sessions, in cooperation with the most important European and American Opinion Leaders. We will send you as soon as possible the up to date Scientific Programme.

We would much appreciate your promoting our congress through the communication channels you have with your members, that is newsletters, email journals as well as your website.

We would also be very grateful if you could kindly spread information about our congress calendar as listed below:
